

## Instructions for preparing e-Poster for ICEE-2020

Authors selected for the e-Poster presentation are requested to prepare a PDF file that will be used for displayed during "Poster Session". The last date for the submission of e-posters is November 10, 2020.

Please note that for preparing your e-Poster, the following rules should be adhered to:

- Only material in PDF format will be accepted.
- Each poster should have “Name of the symposia, Title, Name of the authors, affiliation, **Highlight the name of the presenting author and registration number.**”
- All e-Posters should be prepared in landscape (horizontal orientation) mode.
- To ensure the best quality of your e-Poster, we recommend that the poster should be size of A0 in landscape make (Length=118.9 cm and Breadth= 84.1 cm)
